

CONFIRMATION

BANNER INSTRUCTIONS

The making of the banner is meant to be a special expression of the Confirmation candidate and their family to mark the celebration of their special day. Be creative and have the banner express the candidate! This banner can be kept for years to come as a keepsake.

ALL students will make their banner at home.

- **Red Felt** is best to use for the background of the banner
- You can purchase the felt at a craft store (Michael's, Hobby Lobby, JoAnn's) or online – type in Confirmation Banner into a Google search. But do NOT wait to purchase.
- It should display the candidate's Confirmation name & family name
- You can use “stiff felt” and punch holes and use a ribbon – or use a dowel rod
- A symbol of Confirmation (i.e. dove or phrase)
- **Bring banner to Confirmation & proudly hang it on the end of your pew**
