

# Faith in *Action*

**Sacristan** Before each Mass, a sacristan gets everything ready for the Mass. The sacristan lights the candles on the altar and places the chalice nearby. He opens the lectionary to the right page. This minister helps the Mass go smoothly. This is a quiet but important ministry.

## *In Everyday Life*

**ACTIVITY** Every person has a job to do. What is one of your jobs? Think of a time that you failed to do your job. How did your choice affect others? Discuss your answer with a classmate.

## *In Your Parish*

**ACTIVITY** Get the altar ready for Mass. Draw lines to put items in the right places.
